

Documentation of Face-to-Face Encounter

Patient name and Identification

Billy P. H.

I certify that this patient is under my care and that I, or a nurse practitioner or physician's assistant working with me, had a face-to-face encounter that meets the physician face-to-face encounter requirements with this patient on: (insert date that visit occurred)

8 27 2014
Month Day Year

Is Patient Home Bound or Can't Drive (Circle your choice)

☒ Y ☐ N

Is Home Health Care Needed (Circle your choice)

☐ Y ☒ N

Does Patient have reliable other Primary Care Physician (Circle your choice) Y N

Is House Visit Needed (Circle your choice)

☒ Y ☐ N

If Yes (Circle Next Visit in Days approximately) 30 60 90 Other

30 60 90

The encounter with the patient was in whole or in part for the following medical condition which is the primary reason for home health care and HOW LONG: (List medical condition)

HTN, GERD, COPD, RA, Neuropathy

I certify that, based on my findings, the following services are medically necessary home health services:

☐ Nursing
☐ Physical Therapy
☐ Occupational Therapy
☐ Speech-language Pathology

No SN needed

To provide the following care/treatments: (Required only when the physician completing the face to face encounter documentation is different than the physician completing the plan of care):

My clinical findings support the need for the above services because:

No SN needed

Patient is home bound due to no reliable transportation

Further, I certify that my clinical findings support that this patient is homebound (i.e. absences from home require considerable and taxing effort and are for medical reasons or religious services or infrequently or of short duration when for other reasons) because

Patient is home bound and requires considerable effort to leave home due to no vehicle for transportation
