Plan Note:

Plan Note Status:Finalized

Patient to follow-up and keep appointment for head CT at Methodist Dallas. Continue same treatment plan as previous for other diagnosis. Reviewed and continue same medications, no new medications noted this visit. Medication adherence education was given to the patient and the patient educated on the benefits of low so fat, low cholesterol diet with current medical conditions. Patient was instructed to go to ER for symptoms of chest pain, shortness of breath, excessive headache, blurry vision or systolic

blood pressure greater than 200. Patient encouraged to exercise daily. No labs need it this visit. Patient verbalized understanding of the above plan and was given the office number for any questions or concerns. Prognosis is fair and patient is stable.

CHRONIC MIGRAINES continue current plan
HTN w/vascular complications continue current plan
PVD continue current plan
CAD continue current plan
HLD continue current plan
LUMBAGO w/chronic pain continue current plan
ESRD continue current HD treatments

No medication refills needed this visit.
